About us

Millhouse is the UK's leading manufacturer of early years furniture offering the most extensive selection of premium indoor and outdoor solutions. Our thoughtfully coordinated and comprehensive range cater for children from 6 months+ to age 5, and we pride ourselves on making early years furniture that is not only height-appropriate but appropriate for different development stages too.

Quality, craftsmanship and safety are at the heart of everything we do. Every furniture detail is designed with children in mind and lovingly hand-finished by our skilled team.

Collaboration with childcare professionals and practitioners means that we understand the needs of the early years sector, as well as current approaches to learning. This valuable insight is woven into our furniture and innovative product features, enhancing both versatility and value. Moreover, we provide expert advice and supportive services to guarantee excellence in everything we do.

Love,
Millhouse

Key Features

UK Made

Millhouse furniture is expertly crafted in the UK by our skilled team in an accredited ISO 9001 and ISO 14001 environment. Constructed from the finest materials, our products conform to UK, US and EU safety standards (where applicable). Hand-finishing provides smooth, soft-touch surfaces.

Fully Assembled Furniture

The vast majority of our furniture products are delivered fully assembled to save you hassle and time. Products that cannot be delivered fully assembled, require simple self-assembly, using one of the Allen keys provided.

Easy Access

To create an enabling environment that supports independence all items in the range are designed to be easily accessible by children.

Lifetime Guarantee

Our products are designed for use in a commercial environment. By combining traditional woodworking with modern fixings, our furniture is engineered to last, that's why almost all of our furniture comes with a lifetime guarantee. Excludes baskets, tubs, trays and other consumable items.

Flexibility

There is no complicated or expensive method of joining our furniture, units simply butt together, providing the flexibility to quickly and easily reconfigure rooms and create safe free-flow environments.

Easy Cleaning

At Millhouse we use premium grade maple melamine for the majority of our products. This provides a hard-wearing, scratch-resistant and easy-clean surface. We also apply a water-based lacquer to seal and protect the furniture from water ingress.

Areas of Learning

Our furniture solutions are designed to help you create functional, flexible and enabling environments that support the EYFS Areas of Learning. To make it easy to match and identify Millhouse products for each of the Areas of Learning, we have provided a handy online guide, visit our website for details.

Home from Home Range

The Millhouse Home from Home range is designed to encourage collaboration and communication. By selecting key furniture pieces that children associate with home, it provides a sense of familiarity that promotes confidence and well-being.

Inspired

In designing the range, we've drawn inspiration from both modern and traditional home furniture, to create a cohesive collection that has a distinctive style but coordinates beautifully with the Millhouse Signature range.

Calming

The curved design and soft-edged features create a calm and contemporary aesthetic that is further enhanced by the neutral colour palette of cream and maple.

Enriching

Millhouse Home from Home provides endless opportunities for learning through child and practitioner led role play scenarios, as well as providing an enriching environment to develop important language skills.

Signature Range

At the heart of the Millhouse product offering is our Signature range. Made from premium grade maple melamine to achieve a natural aesthetic, the Signature range has received wide recognition for its hard-wearing, easy-clean, age-appropriate and durable design.

Creative

The Millhouse Signature range encompasses all the key furniture pieces you would expect to find in an early years setting, with creative solutions that meet the needs of modern-day approaches to learning, space and flow.

Innovative

Many products in the Signature range have innovative features that add versatility and value. These include soft Velcro display surfaces on the back of units, making them double-sided, and modern storage solutions e.g. tablet storage/charging cubbies.

Flexible

There is no complicated or expensive method of joining the furniture, units simply butt together, providing the flexibility to reconfigure environments quickly and easily as required.

Key Features

- Made from premium grade maple melamine
- Manufactured in the UK
- Solutions for 6 months+ to age 5
- Innovative features (e.g. storage add-ons)
- Sturdy and durable construction
- Rounded corners and safety edges
- Easy-clean surfaces
- Fully assembled (unless otherwise stated)
- Long product guarantees (5 year and lifetime)

Room Inspirations

Baby
Page 31

We have put together a variety of early years zones, created to provide inspiration for your setting. Each one features a selection of coordinated furniture, carefully chosen to achieve a themed area or enclosure.

Our team can handle any size of project from a small room to an entire school or nursery. We can work from architectural drawings, or alternatively, one of our sales team can arrange a visit to complete a free site survey.

To ensure you achieve the right solution for your setting, our services include detailed CAD drawings, practical advice on flow and layout, plus helpful product information.

Feature Storage

Practical and functional in design, the Millhouse Practitioner Stations provide a unique solution that delivers essential 'out of reach' storage.

The full-size option allows maximum practitioner storage on the top half of the unit featuring a lockable cupboard with eight A4 storage trays to one side (useful for storing medicine), whilst the compact size offers cupboard storage with three A4 storage trays. To support modern day learning the design of both units allows for simultaneous tablet storage and charging, and there is a cable management slot to plug in a CD player/boom box.

Low-level storage cubby options are available on both the full-size and compact version. The cubbies are designed to be easily accessible for children and can be used with or without baskets to store resources.

Sweep & Corner Storage

Corner storage offers additional versatility and the ability to create curves and safe free-flow areas. By combining multiple corner and sweep units you can also create islands in the centre of a room with all-round access. Handle holes make it easy to move units and alter configurations as required.

Sweep & Corner Storage

Our sweep and corner storage solutions have been designed with a Montessori approach in mind. The open design makes them a practical feature piece that allows easy access from both sides and can be used as a room divide or to direct the flow within a room.

The top shelf of the units provides a large usable workspace for display or activities. Suitable for use with or without baskets for storage and display.

Tray Storage

Millhouse tray storage units are made from a premium MDF core with clear lacquered edges. The flexible runners house different depths of trays to maximise storage options and allow units to be easily reconfigured. The back of each unit features a sound-absorbing loop nylon Velcro fabric that provides a more tactile surface for young children and can be used for display.

Tables & Chairs

Beautiful tables and chairs that are sturdy in design, easy to clean and have a natural finish. Available in a variety of height options to cater for all early years age ranges.

Tables & Chairs Guide

New stacking stools for 2025 (see page 87)

Wooden Tables

All Millhouse tables benefit from solid beech frames and maple melamine tops that are easy to clean and scratch-resistant. We have a wide range of sizes and shapes including, square, rectangular, circular, semi-circle and trapezoid.

Our tables come with fixed height options and an adjustable leg option, both of which are made from solid wood.

For maximum versatility, the adjustable leg option has a steel frame that provides four height settings to accommodate children aged 1 to 6 years (size mark 00 to 2).

- Rounded corners and edges help prevent accidents
- All tables are BS EN 1729 compliant
- Delivered part-assembled (secure table legs using the Allen key supplied)
- Adjustable legs are available separately to convert existing Millhouse fixed leg tables to adjustable

Fixed legs

Table & Chair Sets

High-quality, easy-clean table and chair sets with rounded corners and edges. Each table has a solid beech frame and legs for stability, plus a maple melamine surface with a protective clear finish. Sturdy chairs and beech stacking chairs are stackable for quick and easy storage.

- Delivered part-assembled (secure table legs using the Allen key supplied)
- Sturdy and durable construction
- BS EN 1729 compliant

Wooden Chairs

Made from high-quality solid beech and plywood, all of the chairs in the range are stackable with the exception of the high chair, which folds for quick and simple storage. Feeding chairs have a safety brace to secure the child and prevent sliding.

Armchairs & Sofas

Our armchairs and sofas are ideal for role play or creating a comfortable story time area.

Whether it's the Signature Range Chair and Sofa Set or the Home from Home Tub Chair and Sofa Set, both have high-quality covers that are durable and easy to clean. Suited to children 3 years+, you can find product information on page 90.

Table & Chair Height Chart

We have a handy size guide printed throughout this section to help you choose the correct table and seat height to suit your needs.

Play Panels

Versatile and easy to use play panels that can be configured to achieve a variety of shapes and sizes. A great way to divide space, create enclosures and organise activity areas.

Play Panels

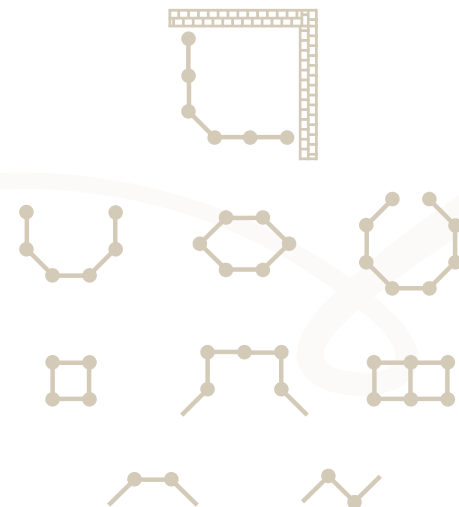

Role play panels offer a flexible solution for dividing space, creating enclosures and organising areas for activities. Our versatile panel collection features an impressive selection of low and tall panels, allowing you to create a configuration that best meets your needs. You can mix and match low panels, tall panels, or a blend of both to create your ideal configuration. To make this process even easier, we're thrilled to unveil our new transition panels for 2025 (see page 141 for details).

- All our panels are made from solid beech timber
- Child-safe clear lacquer provides a protective coating that is easy to clean
- Panels can be connected to our furniture units or walls using our furniture panel connectors
- A minimum of three panels are required for freestanding configurations

Not sure where to start
with selecting your panels?
Look out for our handy
starter sets.

For complete flexibility when setting out your room, our panel connectors allow you to join panels (at any angle) to furniture units or walls. Here are some examples of the possible configurations:

PSED

Feelings really matter – they are essential for our survival and our sense of self; they tell us the kind of people we are, and they motivate us to take action.

A critical part of a child’s development is raising awareness of feelings and allowing them to explore, understand and communicate their emotions.

All Emotion Stations have a large integral mirror to reflect expressions, and a chalk board insert that can be used by practitioners and children, to support and extend learning. Each station features baskets and shelving to allow children to self-select, and resources can be efficiently stored when not in use.

Wall-Mounted Emotion Station

STEM Block Set

Our STEM block set has been designed with a 1-2-4 ratio of blocks to meet the needs of those following a Froebelian approach to block play.

It enables children to explore the maths and science elements of block play and is great for understanding scale and ratio through play, developing mathematical language and introducing children to fractions.

Practitioners can easily teach the concept of part-part-whole with this newly configured set, which are the basics for understanding fractions.

The storage unit with its block organiser, allows children not only to access the blocks they need, but encourages discussion around shape and promotes independence when tidying away.

Block Organiser

Storage

These flexible outdoor storage units are accessible from both sides to promote independence by allowing children to self-select. Ideal for dividing outdoor spaces, our Self-Select Shelving can be used alongside other storage units to create different configurations. They are perfect for use with mud kitchens and potion stations.
